

# TOP FIVE FRIDAY

## BOOKS THAT WERE BETTER THAN THE MOVIE

1

### The Hunger Games series by Suzanne Collins

YA COLLINS SUZANNE, CDB, playaway, ebook, eAudiobook

Jennifer Lawrence made an amazing Katniss, but we still prefer book Katniss: her fight to survive the Hunger Games is even more intense in the book than in the movie.

2

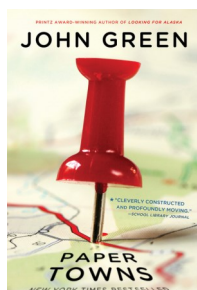

### The Divergent series by Veronica Roth

YA ROTH, CDB, playaway, ebook, eAudiobook

The movies were good, but the books did a better job of showing Tris's struggles with her city's five factions. But who knows? Maybe the last movie will blow the book away when it comes out next year!

3

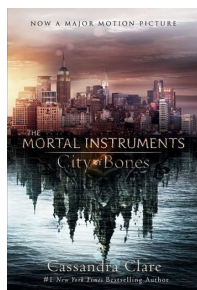

### Paper Towns by John Green

YA GREEN, CDB, ebook

The Paper Towns movie had a different ending than the book! We thought the book's ending was a better conclusion to Quentin's search for Margo Roth Spiegelman.

4

### City of Bones by Cassandra Clare

YA CLARE, CDB, playaway, ebook, eAudiobook

The City of Bones book has a lot of detail that the movie left out about Clary's discovery that she is a Shadowhunter, about how the world of demons works, and about the warlock Magnus Bane.

5

### The Harry Potter series by J. K. Rowling

YA ROWLING, CDB, ebook, eAudiobook

It's a ton of fun to watch Harry's adventures at Hogwarts School of Witchcraft and Wizardry, but the movies had to leave a lot out. The books have all the adventure that couldn't fit in the movies.
