

TOP FIVE FRIDAY

FAIRY TALE RETELLINGS

1

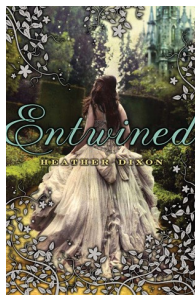

Cinder by Marissa Meyer

YA MEYER, CDB, ebook, eAudiobook

The Cinderella story gets a futuristic update: cyborgs! Cinder, a gifted cyborg mechanic suddenly finds herself at the center of an intergalactic war after she takes a job fixing an android for the handsome Prince Kai.

2

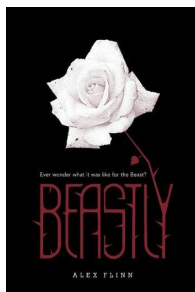

Entwined by Heather Dixon

YA DIXON, CDB, ebook, eAudiobook

Azalea and her eleven sisters step through the enchanted door in their room and into the silver forest every night for magical parties and handsome suitors. Little do they know that the mysterious keeper likes to keep things—dancing princesses included.

3

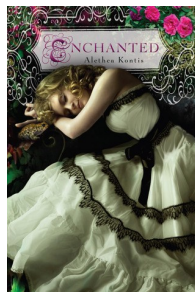

Beastly by Alex Flinn

YA FLINN, ebook, eAudiobook

After he messes with the wrong witch, not-so-nice guy Kyle gets a furry makeover and must find someone who can see who he is beyond the claws. Enter Lindy—a beauty who might just be what this beast needs to break the spell.

4

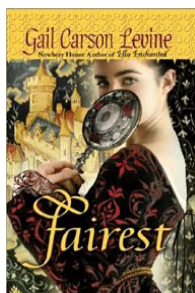

Enchanted by Alethea Kontis

YA KONTIS, ebook

Sunday's in for the surprise of her life when she finds out that her best enchanted frog friend and the crown prince of Arilland, a man her family hates, are one in the same. If only she'd known that before she'd kissed him!

5

Fairest by Gail Carson Levine

YA LEVINE, ebook, eAudiobook

Aza isn't the fairest of them all, but her beautiful singing voice lands her in the clutches of a scheming queen in a palace complete with a talking mirror, a charming prince, and a not-quite-damsel-in-distress king in need of a rescue.
