(PARENT 305.235 ROS)

## DVDs

[The KREW. Strangers : Kids Recruiting Everyone Worldwide](#)

Every 13 seconds a child is abducted. Kids need to be safe - but how are they going to learn. Introducing America's first hi-tech super force for safety - the KREW. Four amazing kids join "The Chief" to create an extraordinary team dedicated to inspire good decision making and providing the tools necessary for kids to make smart choices. Topics covered: importance of parent/child secret passwords; strangers on the street and how to handle being approached; dangers of internet and strangers online. (DVD J613.6 KRE)

[The Ultimate Video Guide for ...kids : How to Stay Safe](#)

This video was made to help kids stay safe. Keeping kids safe means teaching them what to do when riding their bikes, when home alone, on the internet, dealing with a bully or, how to act when approached by a stranger. Kids will also learn body language. (DVD J613.6 HOW)

[Disney's Wild About Safety. Timon and Pumbaa Safety Smart Online!](#)

Timon and Pumbaa learn they need more than a computer or a game console to surf the web - they need safety smarts! They learn the importance of protecting their personal information, how to be responsible digital citizens, and what to do if they are bullied. Abstract concepts like the Internet, information permanence, and anonymity become easy to understand when the safety ambassadors lead the way. (DVD J004.67 DIS)

[Start Smart. Internet Bullies : What Should I Do?](#)

For many kids, the Internet is an important part of their daily routine. Unfortunately, with the immediacy of the Internet, its anonymity and its easy accessibility, kids are using instant messaging, blogs, email, chat rooms, and social networks to spread gossip and rumors to harass and embarrass their peers. In this program, viewers will come to understand that using the Internet for those purposes is actually bullying. (DVD J004.67 STA)
