

# TOP FIVE FRIDAY

## ROAD TRIPS

1

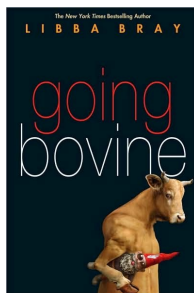

### An Abundance of Katherines by John Green

YA GREEN, ebook

Colin has been dumped by nineteen different girls named Katherine. After the latest Katherine breaks his heart, Colin sets off on a road trip with his best friend Hassan to try to create a mathematical formula that will predict the future of any relationship.

2

### Going Bovine by Libba Bray

YA BRAY, CDB, ebook, eAudiobook

Cameron has been diagnosed with mad cow disease and he is going to die. When an angel and/or possible hallucination tells him that there's a cure for the disease, Cameron sets off on a road trip to find the cure.

3

### In Real Life by Jessica Love

YA LOVE JESSICA

Hannah and Nick are best friends, but they have never actually met. When Hannah's spring break plans get ruined, Hannah makes the decision to drive to Las Vegas with her sister and her friend to finally meet Nick and finally tell him that she loves him.

4

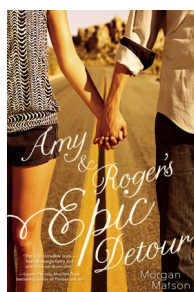

### The Museum of Intangible Things by Wendy Wunder

YA WUNDER

Zoe and Hannah live disappointing lives in their boring New Jersey town. So when Zoe suggests they leave, they get in Hannah's car and drive west, chasing storms, making new friends, and searching for happiness.

5

### Amy and Roger's Epic Detour by Morgan Matson

YA MATSON MORGAN, CDB, ebook

Amy is moving and she needs to get her car from California to Connecticut. There's just one problem: after her father died in a car accident, Amy doesn't want to drive. The solution? Roger, an old family friend, needs to make the trip too.
